

# THOMAS DISHLEVOY ARCHITECTURE

L I M I T E D

Tom Dishlevo is the principal of Thomas Dishlevo Architects. Tom oversees the daily operation of the firm and has a direct role in all projects. This includes attending all meetings with you and representing you in required presentations to others. Tom is a hands-on project manager who is directly responsible for implementing the Work Plan/Methodology, the coordination of all staff and consulting engineers, and the production of drawings and specifications.

Tom has been practicing Architecture on Vancouver Island since 1998 after leaving Vancouver with considerable experience. The primary office objective is to encourage a high level of design while remaining focused on the realities of cost control and project budgets.

Tom is a LEED® Accredited Professional and member of the Cascadia Green Building Council. The firm is a member of the Canada Green Building Council.
